Dear Trevor,

I am pleased to inform you that you are endorsed by the Montana Shooting Sports Association (MSSA) in your bid for Montana's House District 69 in the June 2026 Republican Primary.

MSSA is the primary organization asserting the right to keep and bear arms and the rights and prerogatives of hunters in Montana. You will be aware that we routinely obtain passage of pro-gun and pro-hunting legislation by the Legislature.

You have been endorsed by MSSA because you are clearly the best candidate in your Primary Election contest to represent gun owners and hunters of House District 69. We highly recommend you to the voters of your election district in the Primary Election. We think the right to keep and bear arms and hunting are important. Those voters in Montana who agree with us about this important right should know that you will certainly be the best of the Primary Election candidates in your party to represent our shared convictions.

We believe it is important to elect people to public office in Montana who believe in the rights reserved to the people by our constitutions, state and federal, and especially our right to keep and bear arms, and who believe in our cherished heritage and culture of hunting game animals.

We wish you the best for your 2026 Primary Election challenge.

Sincerely yours,

Gary Marbut
President
